

Dear Parents and Families,

Welcome to the 2025-2026 school year! On behalf of the entire school staff at Northside Preparatory Academy, I am delighted to welcome both our returning families and those who are joining us for the first time. Whether you are new to our school family or have been with us for 5 years, we are glad you have chosen Northside Preparatory Academy for your student(s) academic experience.

We look forward to a year filled with meaningful learning, personal growth and a renewed sense of school and community. Our teachers will work even harder this year to prepare a classroom of structured learning experiences with engaging lessons and an environment that is safe, welcoming and inspiring for every student.

At Northside Preparatory Academy, we believe that strong partnerships between school and home are essential to student success. We are committed to maintaining open lines of communication and creating opportunities for families to stay and involved and connected in their child's education. Throughout the school year let's work together to stay connected.

This year we will remain focused on fostering a positive school culture where every student can learn and feels valued and empowered to reach his/her fullest potential. This includes a continued emphasis on academic excellence, social-emotional well-being and equity for all learners.

Please mark your calendars for **Meet the Teacher Night on Monday, August 11<sup>th</sup> (TBD)** where we hope to connect with you in person.

Thank you for your continued support, partnership, and trust. We are excited about the year ahead and can't wait to see the amazing things our students will achieve in the upcoming school year!

With warm regards,

*Yolanda Clark*
